The Race Committee vessel displaying the visual signal may attempt a sound signal to alert racers of the shortened course as they approach. This changes RRS 32 as it pertains to shortening the course.

6.0 THE START

6.1 One minute prior to Start 1: **Warning**, No flag raised. A few short horn sounds.

5 minutes to Start	Warning	Class flag <u>raised</u>	1 sound
4 minutes to Start	Preparatory	“P” flag <u>raised</u>	1 sound
1 minute to Start	1 Minute	“P” flag <u>lowered</u>	1 long sound
Class Start	Start	Starting class flag lowered & next remaining class flag raised	1 sound

First warning signal: **1855 hours**.

6.2 Each race will be started using Rule 26 with the warning signal made five (5) minutes prior to the starting signal. The warning signal for each succeeding class shall be raised as the class flag for the current start is lowered.

6.3 Start times shall be taken from the visual signals; the absence or error of a sound shall be disregarded.

6.4 The starting line will be between the flagpole displaying the RC flag near the upstream corner of the Grosse Pointe Park marina seawall and a floating orange inflatable or ridged buoy near the channel.

7.0 THE FINISH

7.1 The finish will be between the flagpole on the upstream corner of the Grosse Pointe Park marina seawall and an inflatable or rigid orange buoy near the channel. In darkness, all finishing boats must light their sail numbers for the final minute as they approach the finish line.

8.0 TIME LIMIT

8.1 The time limit for each class to complete their course, as required by rule 28.1, is two (2) hours.

8.2 Boats failing to finish within one (1) hour after the first boat in their class finishes, as required by rule 28.1, shall be scored 'Did Not Finish'(DNF). This changes rule 35.

9.0 PROTESTS AND REQUESTS FOR REDRESS

9.1 Protest forms are available on line at www.gpsc.org or from US Sailing.

9.2 Protests and requests for redress shall be delivered to the dockside Race Committee or (preferably) emailed to racechair@gpsc.org within the appropriate time limit.

9.3 For each class the time limit for delivery of the written protest (to either collection location) is two (2) hours after finishing (reference RRS 60.3).

9.4 The time and place of protest hearings will be posted on www.gpsc.org. The intention is to post within 48 hours of the completion of each race.

10.0 SCORING

10.1 Handicaps shall be calculated using MWPHRF **Time-on-Time** method utilizing the Random Leg Handicap (DHCP) value. All competing boats must have this certification on file with the RC.

10.2 Low point scoring determined by current RRS.

10.3 Boats will be scored based on corrected time. Points awarded on corrected finish place. Boats not racing will be scored a total number of boats registered (number of boats participating in at least one race of the series) plus one (1).

10.4 Points will be totaled separately for Spring and Summer series.

10.5 The following number of races shall be used in scoring:

- a) when six (6) or more races are completed, the results of the best five shall be totaled.
- b) when five (5) or fewer races are completed, the results of **all** races shall be totaled.

10.6 DSQ's cannot be thrown out.

10.7 Ties resolved by current RRS A8.

10.8 There will be no retroactive scoring of unregistered boats.

10.9 First, Second and Third place flags will be awarded in each class with at least five (5) qualifying boats. First and Second place flags will be awarded in each class with four (4) qualifying boats.

11.0 RETIRING FROM THE RACE

11.1 Boats retiring from a race shall notify the RC as soon as possible (the race committee can be reached on Channel 68). Alternatively, please email the Race Chair (racechair@gpsc.org). Boats failing to notify the RC may be penalized by not permitting the race to be thrown out at the discretion of the RC.

12.0 RADIO COMMUNICATION

12.1 The RC communicates with the mark set and patrol boats on **Channel 68**. The start sequence may be broadcast on this channel.

13.0 CHANGES, ERRORS, OMISSIONS

13.1 Monitor www.gpsc.org Sundown Series race page in the race section of the website for changes to the Sailing Instructions (SI). Changes to class splits may occur prior to the first race **but not thereafter**. Report errors, omissions or direct questions to: racechair@gpsc.org.

14.0 WAIVER OF LIABILITY Sailing is an activity with inherent risk of damage and injury. Competitors in this event are participating entirely at their own risk. See RRS 3, Decision to Race.
